

## About Lesley Donnell

Originally from Southern Illinois, Lesley Donnell moved to Midland in 2002 after graduating from the University of Illinois with a degree in Psychology. Lesley started her career in staffing & recruitment with Robert Half. Soon after moving to Midland she joined BPW to get involved in the Midland community. Lesley then spent a few years in Calgary, AB, Canada with Robert Half and moved back to Midland in 2006, where she is happy to now call home.

In 2006 Lesley quickly became reconnected in the Midland community, joining BPW again and being involved with scholarships & membership. Lesley also was a founding member of the Young Professionals of Midland, serving in every capacity on the board and is still an active member of this thriving organization.

Lesley is also very involved with the Midland Chamber of Commerce. She is a 2008 Leadership Midland Graduate and continued to serve as the Leadership Midland Project Liaison, as well as on the curriculum committee, and alumni committee. Lesley served on the Board of Directors for the Midland Chamber of Commerce from 2008-2012, and is an active member of the M-Squad Ambassadors group and current Chair-Elect.

Recently celebrating her 15 year career in leadership with Robert Half, her passion in the staffing industry is making a difference in people's lives. She thrives on providing top customer service while assisting both candidates & clients on finding a perfect career match. She also enjoys working with students and job-seekers on resume writing, interviewing tips, and overall work ethic habits. Annually she has worked with the Upward Bound program at Midland College to work with their students in these areas.

Other community involvement includes PBSHRM- Permian Basin Society of Human Resource Managers, ADDC- Association of Desk & Derrick Clubs, PASPB- Petroleum Accountant Society of the Permian Basin, & United Way.

Lesley currently serves as the Community Projects Chair for BPW.
