

To our valued and appreciated Committee Chairs and all members:

I wanted to say thank you for your service last year on our various committees. It is because of YOU, that BPW is such a HUGE success!

Moving into the new 2017-2018 BPW Board year, we will be setting up our committees once again. Everyone's input and participation is vital so that we can continue to serve the women in our community and make an even bigger impact than we did last year!

Our current Committees will remain in place until **August 15th** when we bring in our new Committee Chairs and members. Please begin to reconcile all Committee materials you may have built up. 😊

On Saturday July 29th we will have our **BPW PLANNING BRUNCH** for the new year.

We would love to see 100% of our membership in attendance. It will be held from 10am-12pm and the place is TBD. We will be doing some fun activities and door prize drawings to celebrate bringing in the new BPW year!!

I cannot begin to express how incredibly humbled and honored I am to be your BPW President this year. I certainly know that I cannot do it alone and look forward to gleaning from all of your great ideas and input.

I am also attaching a list of all the committees that need to be filled. Please be contemplating which area you would like to either Chair or be a member of. Our current membership is at 38, so everyone's participation in some capacity is what will keep this organization thriving.

Thank you again for your confidence in me and I look forward to a GREAT year. Have a GREAT and safe 4th of July (it will be here before we know it!).
